Zumba Class

I felt like my body had gotten totally out of shape, so I got my doctor's permission to join a Zumba class and start exercising. I bent, twisted, gyrated, jumped up and down, and perspired for an hour. But, by the time I got my leotard on, the class was over!

They keep telling us to get in touch with our bodies. Mine isn't all that communicative, but I heard from it the other day after I said, "Body, how'd you like to go to the six o'clock Zumba class and do some vigorous toning?" Clear as a bell my body said, "**Listen fatty....do it and die!**"

An Irish Blessing. .

“May you always have these blessings. A soft breeze when summer comes. A warm fireside in winter. And always – the warm, soft smile of a friend.”
