## **Wish for 2010**

May peace break into your home and may thieves come to steal your debts

May the pockets of your jeans become a magnet for \$100 bills

May love stick to your face like Vaseline and may laughter assault your lips

May happiness slap you across the face and may your tears be that of joy

May the problems you had, forget your home address!

In simple words... May 2010 be the best year of your life!!

## ***A Message from Mel***

### Certification

Some of you will need to have your certificate renewed before June 30, 2010. I will be making contacts to individuals who need to update in the next couple of weeks so you can get prepared.

Anyone else who has questions regarding their CPDU's or certificate, please do not hesitate to call me at the district office.

### East Richland Subs

I hope that the sub system has been easy for you and I appreciate your patience with me. Just remember:

- Be assured that if you call after 6:00 a.m. on the day you are absent and you do not get me because I am on the phone, your call will go straight to voice mail.
- If you do not specify why you are absent, I will assume you are sick and mark it as such.
- I always read your requests and call those subs first; however, it is not always possible to get your preferred sub, but I do honestly try them first. I try to keep the subs consistent that are in your room, but that is not always possible either.
- If there is someone that you absolutely DO NOT want as your sub, please notify me.

Thanks again for your patience.
