A Message from Marilyn

Best Wishes for Peace and Joy this Holiday Season and a New Year of Health, Happiness, and Prosperity.

Mt. Carmel Elks Free Children’s Clinic – January 7, 2011

Mt. Carmel Elks Lodge 715 and the Illinois Elks Children’s Care program announce the next Free Children’s Orthopedic Clinics in Mt. Carmel. The next clinic will be held on Friday, January 7, 2011 from 8:30 to 10:30 a.m. at the office of Dr. Julko Fullop, 120 Jaquess Ave. in Mt. Carmel. This clinic is by appointment only. Appointments may be made by calling the Illinois Elks Crippled Children’s Program on their toll free line – 1-800-272-0074. This clinic is only for children from Illinois due to funding restrictions.

The Elks provide for all diagnostic related costs including x-ray and other tests. In addition, the Elks will provide financial support for further treatment when needed if the family lacks financial resources. This is an ideal clinic for children ages 0-21 with foot, leg, hip, shoulder, elbow, wrists or back pain. This is also an excellent opportunity to have children just starting to walk reviewed for proper development.

The Benevolent and Protective Order of Elks has been providing help for children for 82 years. This is one of 18 locations around Illinois where a clinic is held on a rotating basis. Further information on this clinic may be obtained by calling the Elks Children’s Care office at 1-800-272-0074 during working hours which are 8:30 to 4:00 on Monday through Friday.

Any area physician or charity is welcome to refer a patient to the clinic for a review or a second opinion which will be provided to any referring physicians upon request. While the Elks Program concentrates primarily on orthopedic problems, they will provide assistance in a variety of other areas. However, the Elks Program does not help with school physicals, eye glasses, orthodontics, cancer, organ transplants, or aids related problems.
