Certification/CPDU's

Some teachers will need to have certificates renewed before June 30, 2011. If you have certificate or CPDU concerns, please contact Melinda Hunt at the administration office. This is Mel's last year with East Richland. She has been the go to person for certification and CPDU's and has done an excellent job keeping everyone on track and updated. This is a service that the district has been able to offer with Mel's expertise and cooperation; however, with her retirement this service may not be offered by the district in the coming years. Please educate yourselves on the procedures for keeping your certificates and CPDU's renewed and current. We certainly appreciate Mel and will miss her in her retirement.

Thanks.

Vacancies

Please check the district website at www.ercu1.net for current in-house vacancies. At this time we have posted a 12 month secretarial position at the high school. Bookkeeping skills are required. Applicant needs to have good communication skills, and computer skills with programs such as Word, Excel, etc.
