*“Committed to Providing the Future Leaders of the 21<sup>st</sup> Century*

**March 1, 2011**

**A Message from Marilyn**

The sun is shining and the weather is warmer. Spring is coming!

With March we have ISAT testing and April brings the PSAE. Before we know it school will be over and we will ask where the time went.

The snow and ice gave us “Act of God” days and we will not have to make them up. However, a day missed in your class as a student means missed knowledge and skills. So, as we approach the fourth quarter let us resolve to make each day count for our students!

**CPDU’s**

If you need help with your CPDU’s, please contact Mel at the District Office. She can come to you during your planning time or you can come over to the District Office. Just give Mel a call.

**Mt. Carmel Elks Free Children’s Clinic – March 11, 2011**

Mt. Carmel Elks Lodge 715 and the Illinois Elks Children’s Care Program announce the next Free Children’s Orthopedic Clinics in Mt. Carmel. The next clinic will be held on Friday, March 11, 2011, from 8:30 to 10:30 a.m. at the office of Dr. Julko Fullop, 120 Jaquess Ave. in Mt. Carmel. This clinic is by appointment only. Appointments may be made by calling the Illinois Elks Crippled Children’s Program on their toll free line – 1-800-272-0074. This clinic is only for children from Illinois due to funding restrictions.

The Elks provide for all diagnostic related costs including x-ray and other tests. In addition, the Elks will provide financial support for further treatment when needed and the family lacks financial resources. This is an ideal clinic for children ages 0 to 21 with foot, leg, hip, shoulder, elbow, wrist or back pain. This is also an excellent opportunity to have children just starting to walk reviewed for proper development.

The Benevolent and Protective Order of Elks have been providing help for children for 82 years. This is one of 18 locations around Illinois where a clinic is held on a rotating basis. Further

**Mt. Carmel Elks Free Children's Clinic – March 11, 2011,** (Continued)

information on this clinic may be obtained by calling the Elks Children's Care office at 1-800-272-0074 during working hours, which are 8:30 a.m. to 4:00 p.m. on Monday through Friday.

Any area physician or charity is welcome to refer a patient to the clinic for a review or a second opinion, which will be provided to any referring physician upon request. While the Elks Program concentrates primarily on orthopedic problems, they will provide assistance in a variety of other areas. However, the Elks Program does not help with school physicals, eye glasses, orthodontics, cancer, organ transplants, or aids related problems.
