A Message from Marilyn

Graduations will soon be over and Wednesday, May 25th is the last day of school. I hope you have had a good year.

We honored 17 retirees at our Service Awards Banquet this year. We will miss all of you who are retiring. It has been an honor to work for and with you and we wish you the very best in your future endeavors.

School will start on Monday August 15, with August 15th and 16th being teacher inservice days. The first day of student attendance will be Wednesday, August 17, 2011. We look forward to our return, but only after a rejuvenating and relaxing summer! Enjoy!

Happy Anniversary

Congratulations to Karen and Bob Phillips for 50 years together!!! On May 12, 2011, Karen and Bob celebrated their 50th Anniversary. We wish them many more years of good health, love and laughter. Congratulations Karen!

There is nothing nobler or more admirable than when two people who see eye to eye keep house as man and wife, confounding their enemies and delighting their friends.

Elks Free Orthopedic Clinic

Mt. Carmel Elks Lodge 715 and the Illinois Elks Children's Care program announce the next Free Children's Orthopedic Clinic in Mt. Carmel. The next clinic will be held on Friday, June 3, 2011, from 8:30 to 10:30 a.m. at the office of Dr. Julko Fullop, 120 Jaquess Ave. in Mt. Carmel. This clinic is by appointment only. Appointments may be made by calling the Illinois Elks Crippled Children's Program on their toll free line – 1-800-272-0074. This clinic is only for children from Illinois due to funding restrictions.

The Elks provide for all diagnostic related costs including x-ray and other tests. In addition, the Elks will provide financial support for further treatment when needed and the family lacks financial resources. This is an ideal clinic for children ages 0-21 with foot, leg, hip, shoulder, elbow, wrist or back pain. This is also an excellent opportunity to have children just starting walk reviewed for proper development.

The Benevolent and Protective Order of Elks have been providing help for children for 83 years. This is one of 18 locations around Illinois where a clinic is held on a rotating basis. Further information on this clinic may be obtained by calling the Elks children's Care office at 1-800-272-0074 during working hours, which are 8:30 to 4:00 on Monday through Friday.

Any area physician or charity is welcome to refer a patient to the clinic for a review or a second opinion, which will be provided to any referring physicians upon request. While the Elks Program concentrates primarily on orthopedic problems, they will provide assistance in a variety of other areas. However, the Elks Program does not help with school physicals, eye glasses, orthodontics, cancer, organ transplants, or aids related problems.

WELCOME TO THE WORLD!

Congratulations to Mandy and Darrell Houchin!

A Thought to Ponder. . .

“Ah, summer what power you have to make us suffer and like it.”

Lemonade

Ingredients

- 6 large lemons
- 1 cup sugar
- 2 quarts cold water

Slice the lemons in half and squeeze each of them into a large measuring cup. This should yield about 1 ½ cups of juice. Remove any seeds. In a large pitcher or Mason jar, combine the juice and the sugar. Stir in 2 quarts of cold water. Serve over ice. (For a nice touch, place mint leaves in the ice cube trays before freezing.) Makes 8 to 10 servings.

Enjoy Your Summer!!
